

1968

Here we are at the close of another exciting season of 3 B baseball. It's true, 3 B stands for Bedford Boys Baseball. It's also true that approximately 375 boys are on the 26 teams that make up the three divisions. However, did you ever realize there were also 26 managers, 26 coaches, 26 scorekeepers, 26 batboys, and 28 umpires in the Bedford Umpires Association involved in the actual playing of the games. Behind the scenes are a League Secretary, seven Commissioners, two General Managers, and a Central Scorekeeper. The finances, bookwork, and general supervision of the league keep these people very busy. Then there are the approximately 500 parents involved. Add to this the number of spectators who attend the 216 league games and the total has now reached well up into the thousands. Project this into hours spent at Americas greatest pastime and the figure suddenly jumps into the ten thousands. Just imagine the good derived from such a vast program. The physical and mental development of our future citizens. The moral development (honesty, fair play, good sportsmanship) that is also achieved. The bringing together of family and friends to root for their favorite boys and teams. Could 3 B not also stand for Baseball Builds Boys or Baseball Builds Bedford?

And the cost of such a program? In cash practically nothing by comparrison. A minimum registration fee (most of which is used to buy insurance for all active participants), your generous contributions on Tag Day, the profits from Field Day, and the genercus donations of sponsors make 3 B possible.

So you see, it's not material things that make our program so successful. It's the wonderful cooperation of everyone from the loudest most interested mom or pop to the smallest most uninterested little sister, from the championship teams to the teams which may not have won a game, from the all star to the lowest substitute, the General Managers to the scorekeepers, yes even from the umpires who donate their time and energy to the fans who specialize in heckling them that make for such a great and glorious summer.

Thanks to each and everyone of you for a big job well done in our past season. See you next year.

#### A MESSAGE FROM THE GENERAL MANAGERS

The 1968 season began with a record registration of 402 Boys. Several new men were initiated into the league as some teams were without Managers, and the record registration necessated the forming of two new teams in the Minor Division. We are sure these men found it to be quite an experience and we hope to see them back again next year.

We generally measure the seasons success or failure by the number of protests and related problems. The 1968 season was not a failure so to speak nor was it a great success.

There is no one person associated with the league that we know of who can cite every rule and correctly interpit them. We do know however, that if a little more time was spent by some to read up on the rules they would be able to solve some of the situations that arise and thus make a better ball game for all. How about giving it a try?

On the success side of the ledger, the injuries were very low. This we are thankful for. Also we saw less bats and helmets flying this year after boys made outs.

## General Managers-cont.

Congratulations to the four Farm Club Managers and their coaches. Not one protest came from this Division.

Congratulations to the winners of each Division, and to the less fortunate we hope you enjoyed the season.

A special thanks to our Central Scorekeeper, Jody Manore. We know the many hours spent by the phone, preparing the scores for the papers, and keeping the official results for the league is appreciated by all concerned but it is especially appreciated by the General Managers.

Watch the papers for the announcement of Winter meetings.

James Brown & Tom Gittus

## FAREWELL JUNIORS

The following boys completed their 3 B careers this year. It is the leagues sincere wish that your years with us have been enjoyable. Even more we hope that the experience has been such that it will be considered by you as an important step on your way to manhood. Perhaps you will consider returning to the league as a coach, or an umpire, or a future manager. We thank you for the opportunity of working with you and wish you good luck in the years ahead.

MANAGER OF THE YEAR

Each year the General Managers select a Manager of the Year. While it is a difficult job, it is an enjoyable one. The win and lost record have a bearing on the decision, but a very small part of it. To teach by example, good sportsmanship, to instruct the boys in baseball fundamentals, and the ability to control the boys as well as the parents and the spectators are the prime requirements. The candidates for this year's honor, as well as the "Dr. Thomas Keane Memorial rotating trophy" are Jim Alford, Don MacDonald, and Mike Keane. Congratulations to each of you and especially to the winner.

BEST SPORTSMAN TROPHY

Another trophy that is awarded each year is the "James White Memorial rotating trophy". This is the award to the boy judged by the Umpires, with approval of the General Managers to be the most deserving. It is based on the overall attitude and performance, both on and off the playing field, of the boys. With nearly 400 boys involved, it is not only a difficult choice, but one that is sure to exclude several other boys who might also be deserving of such an honor. The candidates this year, for what is surely the finest award a boy could possibly win are, Jim Klod, Larry Shannon, and Randy Stark.

To the winner, our sincerest congratulations and best wishes for the future. May you always realize and live up to the great honor bestowed on you.

The Managers who finished on top of their respective leagues this year also receive trophies for their accomplishment. They are as follows.

Farm Club.....Ed. Radd and the Barracudas

Minor Division

American League...Dick Domschot and the Bulldogs

National League...Jim Alford and the Basetrotters

Junior Division.....Chuck Herbig and the Exchange Club

Hats off to you deserving winners for your successful season, but as all good losers say "just wait until next year".

In addition to the previously mentioned trophies, each team has selected a "Most Valuable Player", "Best Sportsman", and "Most Improved" from among their own boys. The boys picked are as follows.

## ALL STARS

For the benefit of the people associated with our 3B program who have not had the opportunity to participate in 3B All Star team programs previously, we would like to take this opportunity to explain the tremendous effort and responsibility that is required for the team to be a success.

Being part of an All Star team representing the community, engaged competitively with teams from other communities, provides a rare opportunity for the boys who make the team. Two members from each minor division team are chosen by their respective manager's for try-outs. The managers are responsible to select boys who have displayed exceptional physical ability and team spirit throughout the season.

This year thirty-two boys, representing sixteen different teams, were eligible to tryout for the All Star team.

A grading system is used and each boy is recognized for his overall playing ability and various skills such as running, batting, fielding and so forth. In addition, recognition is given for hustle and general attitude.

Each year it becomes more difficult to select players. Our league has grown considerably in the last few years. The number of teams competing in the minor division and the quality of players has improved tremendously. The playing skills, hustle and attitude qualities of the boys is a result of this growth, and the patience and efforts of the managers, umpires and league officials in all 3B divisions, especially our Farm Club program.

The most difficult task for the manager and coaches is at the conclusion of the tryout period when the fifteen actual team players must be chosen. Everyone must realize even the most talented and experienced professional baseball scout can make a mistake in evaluating the ability of a player. There is some consolation for the manager and coaches in knowing, that most Little Leaguers learn early that no one is successful in every effort and the boys will soon overcome their disappointment.

Obviously the manager and coaches appointed for the All Star team are the key men required to make the team a success. They must carry out practice sessions, procure and maintain player records and be responsible for the league playing equipment, uniforms and safety of the players. They are also responsible for the conduct of the team at the play-off games because any violation of the rules of good sportsmanship would be a reflection on the total community.

This year must have been exceptionally difficult and frustrating for the team manager Jim Alford and his coaches Bob Maloy and Jerry Kuhr. Due to bad weather conditions games were postponed and the Alford and Maloy families had their vacations delayed and shortened. In spite of these additional handicaps and through the personal efforts of Jim, Bob, and Jerry, a successful All Star team represented Bedford Township at the Monroe County Fair and reached the finals.

Although the team finished runner-up in the finals, losing to Monroe after defeating Petersburg and Carleton, Jim, Bob, and Jerry have earned the gratitude and respect of all the players, coaches and parents of this years team.

Congratulations!!!!

## UMPIRES

We all know what a vital part umpiring plays in making a baseball game as well as a season successful. The Bedford 3B league is very fortunate to have an organization such as the Bedford Umpires Association to provide trained umpires for all our games. These men give their time and talents during the summer, just as do the people who are a part of the 3B organization. It should be noted that they do all of this without any sort of payment, except for the satisfaction they receive from helping boys grow into men. Our hats are off to the men in blue.

For the past three months the umpires have received very little recognition or praise. It is for this reason, that the Umpires Association takes great pleasure in honoring one of their members by presenting to them "The Robert Dusseau Award". This award is a memorial to Bob, who was the founder of the Bedford Umpires Association. The recipient is chosen by the General Managers after a careful screening, and discussion with the managers. Candidates for this year are Maurice Stark, Jim Mossburg, and Stan Smith.

Congratulations to the winner, and thanks to all the rest of the umpires, for the fine job. The 3B league deeply appreciates the many hours spent helping to make the 1968 season a success.

# MANAGER REPORTS

The following are reports turned in by some of the managers in the three divisions. Not all of the managers turned in a report so therefore not all of the teams are covered.

## FARM CLUB

### Barracudas

The Barracudas won the championship title this year in the Farm Club with a 7 and 2 record. Jim Steffin pitched every game and John Maloy was the catcher for the team. Seven boys from the Barracudas wound up the season with batting averages over the .300 mark. They were as follows:

John Maloy	.830	B. Hicks	.400
B. Quick	.500	B. Dashner	.396
M. Brubaker	.405	J. Steffin	.352
D. Alhouse	.404		

Ed Rudd, mgr.

## MINOR LEAGUE

### American

#### Bulldogs

The Bulldogs of 1968 repeated themselves as American League champs, recording 13 wins and 5 losses. Of the 18 games played, ten of them were shutouts. Seven(7) wins and three(3) losses. They did not have the first place title clinched until the last game of the season with the Tigers. The Bulldog team shut them out 3-0. Bruce Wotring was the winning pitcher. The team knew that this was the game. But with the fine pitching they had this year they were able to win it. The pitchers and their records were as follows:

pitcher	wins	losses
Bruce Wotring	4	0
Mike Siefert	2	0
Pat Kitzmiller	3	1
Darrel Domschot	4	3
Gap Pirrone	0	1

#### Leading hitters (300 or better)

Darrel Domschot	.382	Bruce Wotring	.364
Ralph Rendsland	.380	Pat Kitzmiller	.320
Tim Eckhardt	.375		

GOOD LUCK TO BULLDOGS IN 1969!

Dick Domschot, mgr.

#### Tigers

The Tigers finished the 1968 season with a record of 11 wins against 7 losses. Their pitching staff and their records were:

pitcher	wins	losses	
George Roth	2	0	Gary Paulson pitched a no-hitter for his only win.
Rick Kinney	4	1	
Dave White	4	4	
Gary Paulson	1	2	

### Tigers cont'd

Batting averages over .300

Bob VanVoories	.410	George Roth	.310
Tim Guthrie	.368	Rick Kinney	.300
Steve Spahn	.361	John Lalonde	.300

Steve Spahn led the Tigers with 5 homeruns.

George Roth, mgr.

### Vikings

The Vikings finished the season in 8th place with 6 wins and 12 losses. They had five boys who batted over .300 for the season. They were:

M. Moore	.458	K. Peckham	.315
S. Schrieg	.378	B. Stobinski	.300
M. Bairroilox	.333		

E. Smith had the only homerun for the Vikings.

Jerry Kuhr, mgr.

### Hurricanes

Why do men spend 3 to 4 nights a week with young men ages 10 to 12?

Love - Love of fellow men - Love of sport - Love of competition - Love of accomplishment - Accomplishment? Very much so. Build mind, body and spirit. The spirit of competing with others, with the same spirit and desire, accomplishment.

The Hurricanes have encountered spectators in number from 50 to 80 persons per game. The general consensus of the spectators is, its wonderful, in fact marvelous to see improvement and spirit. This drive determination, and sportsmanship is the accomplishment which we strive for.

This being the Hurricanes first year with none of its boys ever competing in organized baseball before, have in fact accomplished each of their fore mentioned goals. We have maintained our original staff with 99% plus in attendance.

Thank you parents for your cooperation in accomplishment. Your efforts will not go unrewarded.

Bob Labadie - A fine pitcher and 3rd baseman has 3 homeruns and several doubles and triples to his credit.

Tim Krieger - Another pitcher and 3rd baseman has an above average hitting record.

Randy Clouse - An up and coming 11 year old has been showing alot of class on 2nd base and has started to get some wood on the ball.

Our most improved players are Todd Ziegler and Brad Larrow. Todd is playing catcher with a lot of hustle and has one homerun to his credit. While Brad started slow, he earned himself a short stop position and has hit .750 in his last four games.

The boys show the desire, drive and great sportsmanship that would make any manager or coach proud to be a part of.

Jake Wohn--Art Krieger--Dan Bonkowski
