### **Election of New Officers for the Bedford High School Alumni Association**

TEMPERANCE, MI — The Bedford High School Alumni Association would like to announce the election of a new Board of Directors with terms that began on August 26, 2015. New Officers include: President Mickey Reed-Rudolph ('92), Vice President Gene Stock ('64), Secretary Dustin Cress ('01), Treasurer Lisa Beins-McCaig ('88), & Trustees Edd Bankowski ('66), & Jennifer Harpel ('88).

The newly elected leaders of the Bedford High School Alumni Association are proud of the multi-generational make-up of the new board and the fact that 4 of the past 6 decades are represented. The new administration points to goals of improving the way they connect with Alumni through new technology, expanding scholarships, alumni-related events, and fundraising to support the efforts of Bedford High School as a few of their goals for the coming months, in addition to revitalizing the Bedford High School Hall of Fame.

The Bedford High School Alumni Association was formed in 1996 to encourage camaraderie between Bedford graduates and others who are interested in the well-being of Bedford High School; to provide assistance for current students; to keep members informed about what is happening at the School and with alumni association members; and to undertake special, school related projects.

The newly elected officers would specifically like to thank Past President Chuck Faller, Past Secretary Pam Krell, Past Treasurers Linda Stock & Laura Collins, and Past Trustee Bill Regnier for their dedication and leadership in keeping the Alumni Association alive through some very challenging years.

Those interested in becoming involved or who may have questions or want more information are invited to attend our next General Alumni Association Meeting to be held in the Bedford High School Media Center on Tuesday, September 22, 2015 @ 7:00pm.
