Civil Case #: 09-027523-CH

I am a member of a non-profit corporation, BedfordWatch, located in Temperance, MI, a middle-class homeowner residing in Bedford Township, and a non-party to this case. My response is:

“Object on the basis that the discovery request is overly broad and unduly burdensome and not likely to lead to discoverable evidence especially because the subpoenaed party is a non-party to the suit.”

Sincerely,

Dennis J. Rabb
